

High Quality Low Cost Wafer Baking Oven

Introduction Of High Quality Low Cost Wafer Baking Oven

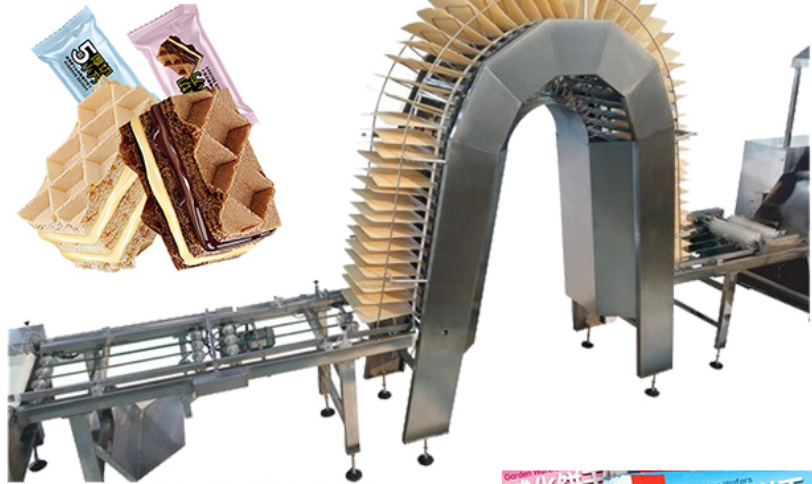

high quality low cost wafer baking oven features reliable performance, compact structure, small occupation, high yield, lower energy consumption, convenient maintenance, simple operation. The driven motors adopt SEW Germany, the bearings use SKF. Operating system uses PLC programming to make the process automated and easy control.

As one professional high quality low cost wafer baking oven manufacturer, we can offer small, medium and large high quality low cost wafer baking oven for sale. The high quality low cost wafer baking oven has reasonable price, reliable quality and professional service! Our company provides customers full set service .cost accounting, high quality low cost wafer baking oven design, wafer recipes, machine installation and debugging, design wafer molds according to customer requirements.

Function Of Each Machine Of High Quality Low Cost [Wafer Baking Oven](#)

Wafer Making Machine oven	The oven of Wafer Making Machine has 27(-33-39-45-51-65-69-75) plates and they made of nodular cast iron, the standard dimension of baking plate is 470*325mm. The power transistor and travelling wheel have the Chinese patent, the line have PID temperature automatic control system and the good affect for wafer sheet.
Wafer cooling	Wafer cooling tower is made of Stainless Steel, and the part which touch the wafer book are all made of Stainless Steel 304.The cooling fan is outlay and the temperature of cooler's inlet air are 5C. The relative humidity of cooling tower is 55%.
Batter mixer	Batter mixer of Wafer Making Machine is made of Stainless Steel. It can mixing 65kg batter with 25kg flour and 40kg water within 5 minutes.
Cream spreading machine	The racks of cream spreader are the stainless steel tank, the motor and pneumatic component which both seal in the tank have good waterproof and dustproof. The spreader has the easy clear design.
Wafer cutter	Wafer cutter is mechanically and the maximum speed of cutting wafer book(filled with cream) are 8 books.

Wafer sheet baking of Wafer Making Machine from oven, automatically transfer to cooling tower and cooling in the air. Cream will be automatically applied on wafer sheet, after the cooling from cooling cabinet, wafer book cut on cutting machine.

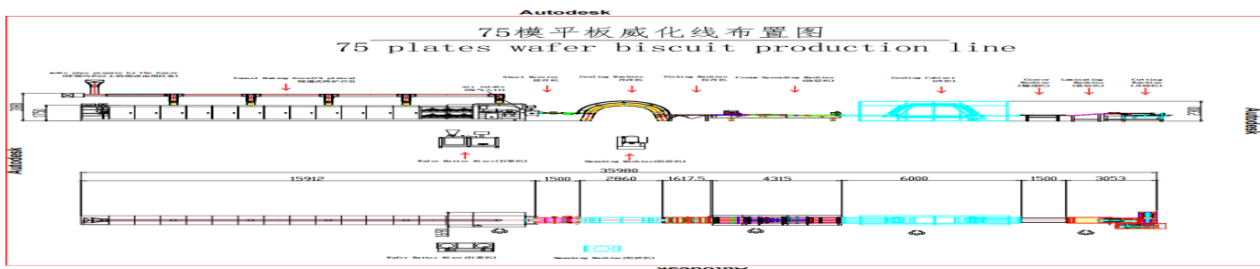

Parameter List

Parameters For The High Quality Low Cost Wafer Baking Oven						
Model	Capacity (kg/24H)	Gas oven gas consumption(kg/h)	Gas oven power(kw)	Electric oven installed power(kw)	Electric oven plate power(kw)	External size
QHW-27	2500	18	2.2	120	86	5930*1500*2500
QHW-39	3500	25	2.2	160	124	8330*1500*2500
QHW-45	4000	25	3.3	180	144	9470*1500*2500
QHW51	5000	32	3.5	200	163	10610*1500*2500
QHW-63	6000	40	3.5	250	201	12890*1500*2500

High Quality Low Cost Wafer Baking Oven Parameter List	
Applicable Industries	Manufacturing Plant, Food & Beverage Factory
Showroom Location	Egypt, United Kingdom, Viet Nam, Pakistan, India, Algeria
Video outgoing-inspection	Provided

Machinery Test Report	Provided
Marketing Type	New Product 2021
Warranty of core components	1 Year
Core Components	PLC, Engine, Bearing, Gearbox, Motor, Gear, Pump
Condition	New
Place of Origin	Jinan, China
Brand Name	Loyal
Voltage	380V/220V/415V Customized
Power	7.5KW
Weight	110000 KG
Dimension(L*W*H)	10450*1620*2200mm
Year	2021
Warranty	1 Year
Key Selling Points	Famous brand motor
Thickness of the Wafer Sheet	2.5mm~ 2.7mm
Baking Plates Temperature	Adjustable Normal Temperature to 200 °C
Weight for wafer sheet	45grams~60grams(adjustable)
Production Capacity	24~28PCS /min
Material	304 Stainless Steel
Baking time	100s~150s
After Warranty Service	Video technical support
After-sales Service Provided	Online support

Layout for high quality low cost wafer baking oven

Why Choose Us?

high quality low cost wafer baking oven Features	
1	Adjustable fresh air intake and exhaust dampers
2	Fan-motor circulation hot air ensures uniform temperature distribution in a chamber
3	Specially designed silicon rubber packing assures air-tight vacuum condition
4	Positive latching door hardware
5	Silicone rubber door seal/gasket

6	Channel shelf supports prevent shelves tipping
7	Brushed stainless steel control panel face and door cover
8	Every oven fully assembled and individually factory tested
9	1 year limited warranty

How About The Loyal Cooperated Customers Of High Quality Low Cost Wafer Baking Oven?

Loyal relies on complete product specifications, excellent product quality and professional service. It has been widely recognized by customers, obtained a good brand image, has mature and stable sales channels, and accumulated a large number of high-quality customers. At present, the company's products are in short supply and are exported to Asia, Europe, North America, Africa, South America and Oceania, with customers in more than 50 countries and regions around the world

.If you are interested in high quality low cost wafer baking oven, please contact LOYAL immediately, we will provide you with high quality low cost wafer baking oven layout design, high quality low cost wafer baking oven high-quality formula, high quality low cost wafer baking oven technical process guidance, and high quality low cost wafer baking oven professional market analysis.

WAFER BISCUIT PRODUCTION PROCESS

Customer Case Of wafer production line At 2021
LY300kg/h high quality low cost wafer baking oven for sale Singapore
Small 200kg/h high quality low cost wafer baking oven Moldova
100-150kg/h gas wafer machine plant for sale Ukraine
LY-50 small electric wafer production line for sale Singapore
1T/Day high quality low cost wafer baking oven Machine For Sale Puerto Rico
500KG/H Gas Wafer Making Machine For Sale Dominica
150KG/H Small Wafer Plant In Nigeria
1.5T/Day Wafer production line For Sale Cote d'Ivoire
